8. Committee Reports:
 - Trip (Steve)
 - Trip has been submitted, but isn't yet approved by district
 - We proceed as though approved
 - First payments due Nov 30, could be some flexibility if kids are actively fundraising
 - For scholarships
 - kids must fundraise at least half of trip and then submit application
 - Limited by our budget, case by case
 - Guenther: We're looking for 6 chaperones
9. Old Business:
 - Auburn prep:
 - Steve: food is ready
 - Jafek is going to take loaded trailer back after concert
 - Guenther has not heard back from new managers, but hopefully will not be very different
 - Sees Candy and Butterbraided sales still ongoing, managed by Melody
 - Holiday Fair craft sale preparation, kids are getting hourly credit, there will be sign up for parents to man the sales booth

- Brunch and silent auction at Appleby's suggestion. Karen Crawford offered to set up the breakfast with Appleby's. Need to pick a Saturday after Christmas. Kids wait the tables. \$10 to eat, we get \$5 per ticket. Can run donations or auctions alongside.
- Melody is working on site sale at ferry, can't do Krispy Kreme there. CBs nuts is a possibility (think they don't require pre-purchase). Around 10th & 11th of December (weekend).
- More ideas welcome!
- Spiritwear – Jeff & Kim: order form to come; can put it on website & facebook, out through Dawn on trooptrack.
